**Unrivalled experience and the widest product range make Elliott the automatic choice when you need office accommodation.**

## **Elliott Event Hire offers the widest range and largest availability for all types and sizes of events.**

With years of experience, our specialist events team can design tailor made solutions to meet your individual requirements and budget, for everything from a small outdoor show, to major sporting events and Christmas festivities. We'll work with you to make your event a success, ensuring the strictest timescales are met.

## **EVENT HIRE**

### **OUR CLIENTS INCLUDE:**

- Monaco Grand Prix
- Brit Awards
- Chelsea Flower Show
- Epsom Derby
- Ryder Cup
- Glastonbury
- Roland Garros French Open

### **WELFARE FACILITIES**

Instant solutions for small and large events. This includes static and mobile welfare units, luxury sleeper accommodation and fully serviced toilets and showers for sites with and without mains drainage.

### **KITCHENS AND CATERING EQUIPMENT**

For all your food service needs from food storage and preparation, to food service and clearing down. Choose from thousands of catering equipment items

### **CROWD AND VEHICLE CONTROL**

Control movement on site with our range of temporary fencing, turnstiles and ticket booths.

### **PORTABLE BUILDINGS**

The largest range of portable buildings with a choice of building sizes, specifications and layouts. Includes portable cabins, energy saving accommodation and secure storage containers.

# CORPORATE HOSPITALITY

**Elliott Event Hire has an unbeatable range of Corporate Hospitality Suites.**

These temporary modular buildings are available in a variety of designs, up to three storeys in height and can be fully glazed with multi-sided viewing balconies for maximum visibility of the event, whilst offering comfort and style to your VIP guests.

The flexible nature of these buildings enables us to offer you a bespoke service which can incorporate a portable kitchen, dining room, relaxation area, office, meeting room, viewing balcony, storage, and staff welfare facilities.

Our Corporate Hospitality Buildings are the perfect solution for entertaining your clients at major sporting and cultural events.

# TOILETS AND SHOWERS

Elliott Event Hire has a vast range of toilets and showers available to suit any size of event. Whether you are looking for individual chemical toilets, luxury mixed-sex trailer toilets, showers or energy saving toilet blocks with waterless urinals, we have a product to suit your event requirements.

Many of our toilets are suitable for sites where there are no mains running water or electricity. We can provide 1000 litre water tanks and offer a full effluent and fresh water tanker service in addition to our cleaning and replenishment services.

## MALE URINALS

Holds up to 400lts of waste water, serving four males at once. Ideal for large crowds.

## SHOWERS

Available as single units or larger blocks.

## ECO-RANGE

Our energy saving range of toilets save you money on your fuel and water bills.

Features include:

- Waterless urinals
- Non concussive, aerated taps
- PIR lighting
- Airforce hand dryers.

## LUXURY TRAILER TOILETS

Our luxury mobile trailer toilets are spacious and well equipped, providing elegant toilet facilities to suit all occasions.

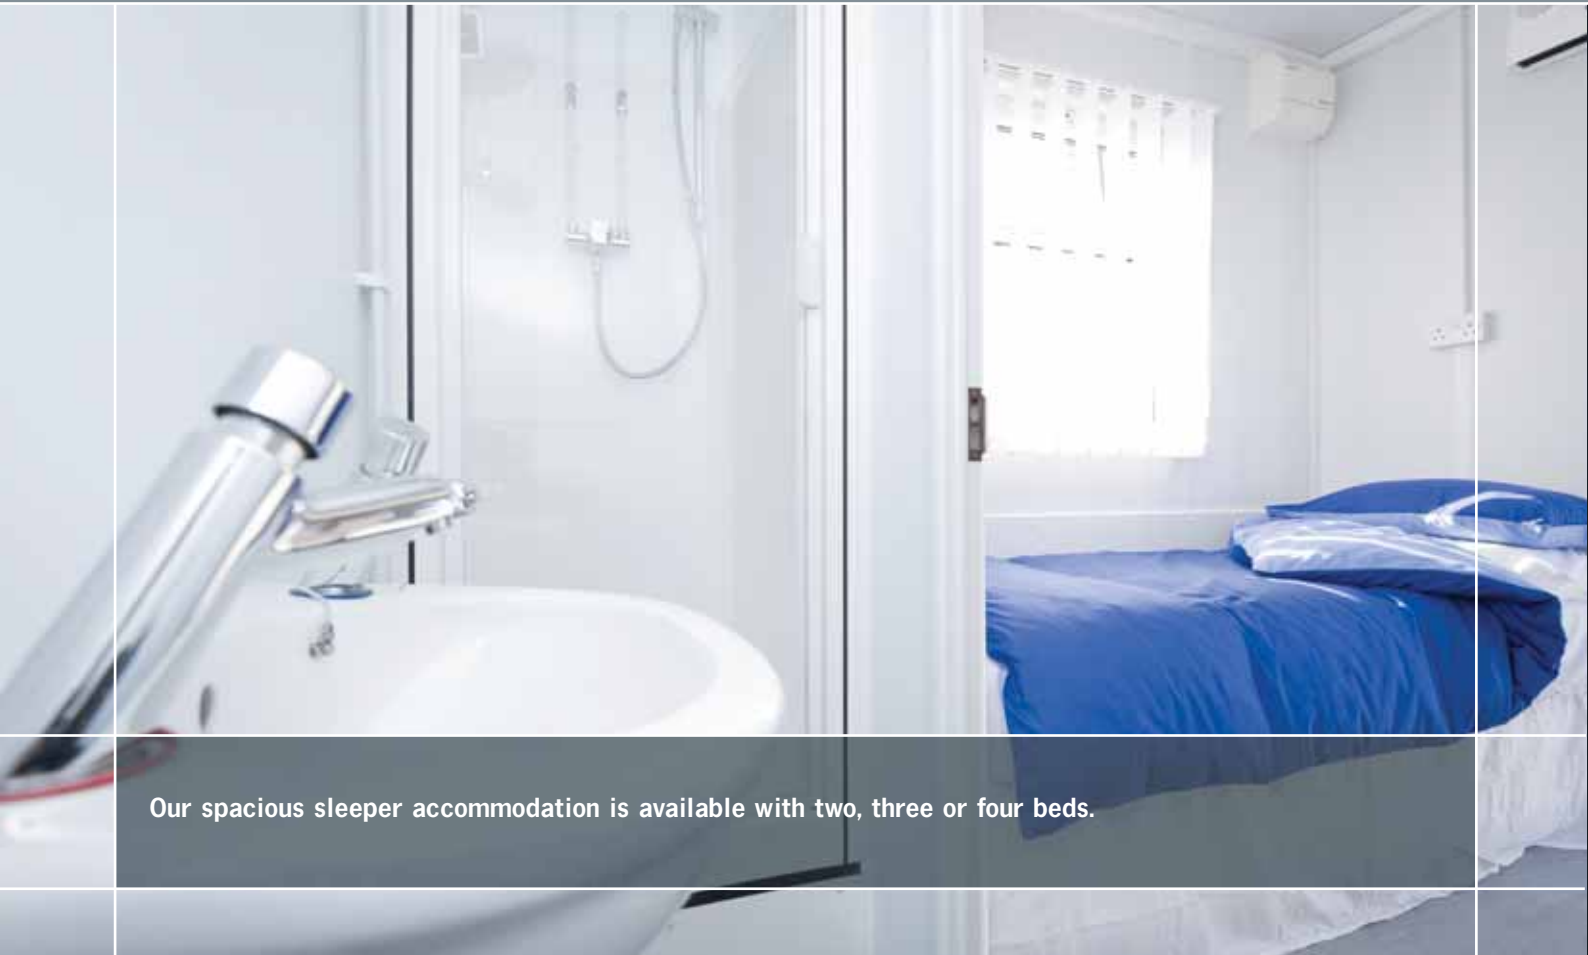

The interior of the luxury toilet unit is very tastefully decorated. The ceiling, floor, cubicles and walls are high gloss white or beech finish, giving the units a very fresh, clean feel.

No mains sewage or water connections are required. The luxury toilet unit can be located in most places an outdoor event is likely to be held. The only requirement is for 240v 4Kva power which can be supplied via mains or a generator.

Ideal for weddings, corporate hospitality events, VIP areas and private parties the luxury mobile trailer toilet is the top of our range.

# WELFARE ACCOMMODATION

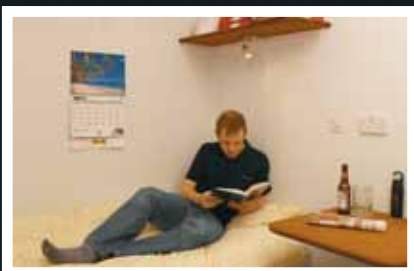

Our spacious sleeper accommodation is available with two, three or four beds.

## SLEEPER ACCOMMODATION

We offer a choice of Steelclad® or an energy saving 'Eco' option. All units come complete with a single bed, workspace, personal storage facilities and shower/WC.

These insulated, durable, buildings have UPVC double glazed windows to provide additional warmth and comfort.

# SELF POWERED WELFARE ACCOMMODATION

Our range of self-powered, self sufficient welfare buildings are ideal for where there is no electricity, water or drains and are available as static or mobile facilities.

Both offer the option of energy saving facilities and accommodate 4-8 people, with separate toilet and seating areas.

The Eco-Solar welfare unit is a purpose built six person building providing comfortable on site accommodation and offers the latest energy saving features.

It is powered by 6 photovoltaic roof panels via an inverter and battery system. An integrated back up LPG generator will start automatically should the batteries fall below their specified power level.

- Full floor, walls and ceiling insulation
- Separate access to toilet facilities
- Double glazed windows
- Dusk-dawn active external LED lighting
- Non-concussive taps
- Fresh water tank
- Burst heater on push button timer
- Internal LED lighting
- Separate compartment for LPG gas bottles
- Under floor heating and "hot wall"
- Time controlled water heater.

# KITCHENS AND CATERING

We have the products and services to help you cater for thousands of people.

Regardless of the size of the event, our catering specialists are on hand to help with everything from the design and installation of a portable kitchen to the supply of all your catering and refrigeration equipment requirements.

Our range of services include:

- Portable Kitchens
- Display Refrigeration
- Chill & Freeze Rooms
- Catering Equipment
- Food Service Equipment
- Dish Washing.

## PORTABLE KITCHENS

We have acquired an enviable reputation for superb quality and service, highlighted by our presence at major sporting events and shows throughout the UK and Europe.

We can offer portable kitchens for special event catering of any size. Our latest addition to our range is the Eco-kitchen which has a number of energy saving features.

### DISPLAY REFRIGERATION

Choose from our selection of counters and multi decks for both meat and dairy; bottle fridges and upright display cabinets.

### CHILL & FREEZE ROOMS

Our lockable range of walk-in modular chill and freeze rooms come in a choice of sizes with a temperature range of +5-20°C.

### CATERING EQUIPMENT

A vast range of literally thousands of catering equipment items to choose from, either as individual items or as part of a production or preparation kitchen.

### FOOD SERVICE EQUIPMENT

We have an extensive range of hot and cold servery and holding equipment for both self and assisted service.

### DISH WASHING

Whatever the size of the operation and whether you require dish washing, glass washing, pot washing or ware washing solutions, we have the best equipment for the job.

# CROWD CONTROL

Elliott Event Hire offer a range of temporary fencing and portable buildings to assist with the control and management of crowds and traffic.

Our range of crowd control barriers, temporary fencing and steel hoarding panels offer:

- Control to flow of traffic
- Added security
- Pedestrian Control
- Site safety
- Privacy

## TICKET BOOTH

Our Moduflex ticket office has glazed windows to the longest sides allowing six people to be served at once, offering a smoother service and reduced queuing time. Each window is fitted with a speak hole for the security and comfort of the ticket office staff.

## TURNSTILE GATEHOUSE

Our Moduflex turnstile gatehouse is available in various sizes with a choice of layouts. It comes complete with a full height steel turnstile giving access to approved users. Can be used in conjunction with biometric access control.

## SECURITY GATEHOUSE

Designed for single use to occupy minimum footprint and help the control of vehicles and people. Glazing to all elevations provides all round visibility with sliding windows and speech panel for extra security.

# PORTABLE BUILDINGS

## CABINS

Choose from our Steelclad® range, with a choice of layouts, including open plan or partitioned; alternatively our Eco-Cabins have a range of energy saving benefits.

Ideal for use as:

- Site Offices
- Changing rooms
- First Aid Room
- Meeting Points
- Information office
- Staff Area.

## SECURE STORAGE

Make sure valuable equipment is secured in our steel storage containers which has the best locking system of any storage container in the UK.

## SUPPORT SERVICES

At Elliott we are committed to ensuring you get the very best from our products and services by providing you with a world class back-up service when needed.

Our reputation has been built in providing the very highest levels of customer support to enhance our market leading position. Whilst hiring or leasing our products we will carry out any servicing and maintenance as well as completing

[www.elliottuk.com](http://www.elliottuk.com)

any repairs to ensure optimum performance and your continued comfort and security.

Elliott Support Services offer a full range of services and operate throughout the UK, all day, every day. Your local branch will be able to put you through to a Regional Mobile Service Engineer during office hours. For out of hours EMERGENCY assistance, call our helpline on 01202 866925\*

\* available Mon-Fri 17.30 - 08.00 and all day weekends

## DAMAGE WAIVER

Our Damage Waiver scheme helps avoid unforeseen charges and protects against costs resulting from accidents, vandalism, fire and theft.\*

- Completely eliminates the possibility of heavy damage charges
- Helps control your costs and assists with financial planning
- Provides low cost effective alternative to insurance
- Is easy to set up with no separate paperwork or administration – we do it all
- Gives you peace of mind.

\*Generating equipment is not covered by our damage waiver scheme
