

## Hubba 4G Telecommunications

INSTANT SOLUTION PROVIDING PC CONNECTION & LANDLINE PHONE - NO MATTER WHERE YOU ARE!

The Hubba 4G broadband simply plugs into your mains supply and delivers high speed broadband within minutes. Ideal for temporary office structures, temporary back-up solutions for failed broadband and phone connections, disaster recovery and rural locations.

- 📶 An Elliott bespoke and branded communication 'Hubba' unit
- 📶 A landline hand set (with your unique land line telephone number)
- 📶 The correct cables with simple instructions to quickly complete the installation
- 📶 More than 5 X faster download speed than 3G
- 📶 A dedicated customer service line to help you at all times
- 📶 No more waiting weeks and weeks for your telephone communications provider to install a telephone line
- 📶 Provided in a smart briefcase the 4G Hubba with a sim card permanently provides connectivity in a number of configurations:
  - 1 phone (optional) & 1 wired PC
  - 1 phone (optional) + wireless access for a maximum of 4 laptops
  - 1 PC & 3 wireless laptops
- 📶 A postcode check will be completed prior to despatch. In poor signal areas an external aerial will be provided
